MACO RAIL SYSTEMS

SLIDING FITTINGS

More efficient seal – easier to use – insulated

LIFT & SLIDE FITTINGS
TIMBER

MACO
RAIL SYSTEMS

Re-define non-enclosed areas as floor space in harmony with nature, the way you want it:
To grab some fresh air, let in light or soak up the sun, to relax - or to move your world outdoors.

Your customers expect the perfect lift & slide solution from you: always smooth-running,
low-noise, heat-insulated and ideally, burglar-resistant. We support you with a comprehensive,
no-hassle total solution for lift & slide elements up to 400 kg in weight. For a more efficient seal,
ease-of-use and heat insulation for your customers.

With the new MACO lift & slide fittings

Utilise the RAIL SYSTEMS Innovations for 2013!

Your MACO guarantee of even more efficient sealing, ease-of-use and heat insulation

NEW SEALING PROFILES

- Space-saving design
- High tolerance equalisation
- No visible screws
- No condensation
