INSTINCT by MACO

QUICKSTART GUIDE

instinct^o
by MACO

maco.eu/instinct

Start ADMIN

1. Make sure that your door equipped with INSTINCT by MACO is ready for use.
2. Enable Bluetooth on your smartphone.
3. Install the INSTINCT by MACO app.

4. Start the Instinct app.

Construction mode

In the delivery state, your door can be easily opened with the INSTINCT app even without access authorisation.

Admin Card

You will receive your INSTINCT Admin Card from your door supplier.

The data required to personalise your INSTINCT door is located on the INSTINCT Admin Card under a scratch area. Accept only undamaged, unscratched Admin Cards.

Keep the INSTINCT Admin Card in a safe place after installation is completed. You will need it in case you have to reset the system.

Initial commissioning & personalisation

Personalise your INSTINCT door with the INSTINCT Admin Card.

Add users

Define access authorisations for family members, friends or domestic helpers.

Validity of Invitation Code: 48h

Four possible ways of sharing

1. Let the new user directly scan the QR-Code from your phone. - Recommended
2. Press "share invitation code" to send the invitation link to the new user. (eg. via whatsapp)
3. Take a Screenshot of the QR-Code, print it out and deposit it at a secret location.
4. Press "Show Infos" to show the code in clear text to let the user manually type in the code.

Open

Convenient unlocking of your door - without a key.

Open via app

Open via external system

Open from the inside

Signal

Open

Close

Daymode

Comfortable operating mode for day-to-day operation - door is not locked, opening without access authorisation is possible at any time.

Control via app

Plan via app

Control from the inside

Signal

Activate

Deactivate

Depending on the system configuration, individual functions or acoustic signalling may not be available. For details, please contact the manufacturer of your door.

Child lock

Makes more difficult or delays the simple opening from the inside by means of a button.

Control via app

Plan via app

Open from the inside

Open via app or external system

Signal

Log

Complete overview of all openings and other events on your door.

Send a one-time key

Grant one-time access authorisations to neighbours, craftsmen or parcel service providers - at any time and from anywhere in the world.

Validity of Invitation Code: 1 year from your last door opening via app

Four possible ways of sharing

1. Press "Share one-time-key" to send the invitation link to the new user.
(e.g. via WhatsApp) - Recommended
2. Let the new user directly scan the QR-Code from your phone
3. Take a Screenshot of the QR-Code, print it out and deposit it at a secret location.
4. Press „Show Infos“ to show the code in clear text to let the user manually type in the code.

Opening Counter

Indicates how many times your door has been opened.

Silent mode *

Deactivates all acoustic signals and reduces the motor speed of guard+ for a silent operation. This activation can also be planned.

Anti-Trap Protection *

Safety feature that delays the motorized closing of the door to pull out potentially trapped fingers. Deactivation leads to faster closing.

* Setting only available for INSTINCT Bluetooth Modules with a production date May 2022 or newer.

Security Mode *

The door re-locks securely if not opened within 10 seconds after receiving an unlocking command.

Firmware Update

Shows Firmware Version and gives the possibility to update your System. Firmware Release Notes can be downloaded.

Firmware version is only shown if all INSTINCT components are successfully updated.

In an inconsistent state either "-1.-1.-1-" or "255.255.255" is shown.

In this case a new firmware update should be performed.

The Update can take up to 30 Minutes.

During this time the smartphone has to be close to the door.

* Setting only available for INSTINCT Bluetooth Modules with a production date May 2022 or newer.

Notes

Start USER

Adding new Permissions or redeeming a one-time-key from the new permitted user's perspective. Has to be done close to the door!

1. Install the INSTINCT by MACO app.

2. Start the Instinct app.

Option #1 - Link

Click on the link that has been sent to you e.g. via SMS, messenger or email.

Option #2 - QR-Code

Scan the QR-Code that is shown on the door owner's phone or has been given to you by the door owner on a piece of paper.

Option #3 - Manual

Enter the Invitation Code manually.
